

You now own a top-quality product that should provide you with years of satisfaction and service. To ensure that this product functions as it is designed to, please read the following important information.

Zadro® Tri-Optics™ Oval Mirror

The advantage of the patented Tri-Optics feature is the combination of multiple high magnification mirrors set within an elegant 1x Oval Mirror. The Oval shape provides a full, larger image and the ability to easily select the high power magnification necessary for close-up detail.

Tri-Optics Magnification

A better, more powerful full range magnification mirror with high power, close-up and full image settings

Powerful Magnification

5x, 7x and 1x

Adjustable Position Control

Magnification mirrors can be placed in up or down position – to adjust for sitting at a vanity or standing at the bathroom counter.

Elegant Styling

Polished metal finish, luxurious beveled Oval Mirror and upscale design will make this the centerpiece of any room.

Functional Features

Swivel inset mirrors, optical quality optics, and padded base stand

Care

To retain the brilliance and elegance of metal, we recommend a non-abrasive metal cleaner and polish. Never use ammonia, alcohol or other harsh chemicals. Caution: sunlight reflected in mirror can cause fire.

Warranty

90 day limited warranty from date of purchase against defects in materials and workmanship. This warranty does not include damage to the product as a result of misuse or accident.
